THE BIG NUMBER

TOTAL BUDGET: \$1.13 BILLION

☐ **Metro Council's own FY2026-27 adopted operating budget — \$1,125,931,500**

- ☐ No new taxes
- ☐ No deficit spending
- ☐ Balanced and realistic

The difference: Not how much. HOW we spend it.

Note on the figure: Metro Council adopted the FY2026-27 operating budget on 2026-06-25 (O-175-26 V.2 / ORD 110-2026) at \$1,125,931,500 — the budget actually in force. This sheet quotes that figure everywhere. (\$1,125.9M is the operating budget only; capital is a separate \$185.2M and is not part of this claim.)

THE THREE INNOVATIONS

1. MINI POLICE SUBSTATIONS

- **What:** Small police offices – at least one in every zip code
- **Where:** Every neighborhood from West End to East End
- **When:** Phased rollout starting Year 1 — 12 / 24 / 36 / 63 stations by Year 4
- **Cost:** about \$1.27M per station annually, most of it the pay of six officers LMPD already employs
- **Why:** Officers on foot, in YOUR neighborhood, preventing crime before it happens
- **Evidence:** 50+ cities using this model, 20-30% crime reduction average

2. 18 COMMUNITY WELLNESS CENTERS

- **What:** One-stop healthcare hubs in underserved areas
- **Services:** Primary care + mental health + addiction treatment + social services
- **When:** 6 per year over 3 years
- **Cost:** \$2.5M per center annually, \$45M when fully implemented
- **Why:** Address root causes of crime, reduce ER visits, better health outcomes
- **Evidence:** 35% reduction in ER visits, \$5.60 saved for every \$1 spent

3. PARTICIPATORY BUDGETING

- **What:** YOU help decide how to spend money in your neighborhood
- **How:** Community meetings, democratic voting on priorities
- **Amount:** \$15M across all districts
- **Why:** Your tax dollars, your voice
- **Evidence:** 3,000+ cities worldwide, increases trust and civic participation

THE BUDGET BREAKDOWN

CATEGORY	ADOPTED FY2026-27	OUR PLAN	% OF BUDGET (PLAN)
Public Safety	\$528,287,900	\$492,545,450	43.7%

CATEGORY	ADOPTED FY2026-27	OUR PLAN	% OF BUDGET (PLAN)
Community Investment	\$295,474,500	\$323,746,150	28.8%
Infrastructure & Services	\$151,112,400	\$139,112,400	12.4%
Democratic Governance	\$52,028,000	\$73,588,000	6.5%
Support Services (includes the \$19.2M employee raise pool, held in OMB until a pay plan splits it by department)	\$99,028,700	\$96,939,500	8.6%
TOTAL	\$1,125,931,500	\$1,125,931,500	100%

Public Safety's departments carry less because the jail shrinks and police oversight moves to the Inspector General (in Democratic Governance); the 18 wellness centres, a public-safety priority, are paid through Public Health (in Community Investment). Democratic Governance grows because the \$15M participatory budget runs through Metro Council's 26 districts and police oversight moves to the Inspector General.

Per the Metro Employee Bill of Rights funding plan: \$12.5M from department reallocations (counted inside the categories above) + \$8.2M from revenue enhancements (occupational-license compliance, delinquency collection, parking, non-resident fees — this piece is new money collected better, not a reallocation) + \$6.7M from efficiency savings. In the reallocation ledger, the \$12.5M is the platform's administration saving and the \$6.7M its efficiency saving; together they form a \$19.2M raise pool, held in the Office of Management & Budget until a pay plan sets each department's share. The \$8.2M is new revenue and sits outside the ledger.

KEY COMPARISONS: CURRENT PLAN VS. BIGGERS

CATEGORY	CURRENT	BIGGERS	DIFFERENCE
Total Budget	\$1,125.9M	\$1,125.9M	\$0
Police Budget	\$268,393,800	\$260,393,800	−\$8,000,000: police oversight moves to the independent Inspector General; not a cut
Deployment	Centralized precincts	Neighborhood substations	Smarter
Healthcare	Scattered programs	18 wellness centers	+\$45M consolidated

CATEGORY	CURRENT	BIGGERS	DIFFERENCE
Youth Programs	Scattered programs	\$32.5M, one plan (Policy 06)	\$23.5M from inside the Parks and Library budgets; \$6M federal grants, \$2M reallocated, \$1M from employer partners
Administration	\$52M	\$38M	-\$14M (cut waste)
Jail/Corrections	\$67,956,700 (adopted)	\$41,214,250	-\$26,742,450: the jail shrinks \$36,500,000 (bail reform, diversion); \$9,757,550 of that stays for pretrial services and diversion
Community Voice	Minimal	\$15M participatory	+\$15M

Same total. Completely different priorities.

Police: Metro Council adopted \$268,393,800 for LMPD for FY2026-27 (Exhibit A p.7, O-175-26 V.2). Biggers holds police flat. The \$8,000,000 police-oversight programme moves to the independent Office of Inspector General, so oversight sits outside the department it oversees; LMPD's own line reads \$260,393,800, and that is not a cut. "Flat" is before the raises officers win in their own contract. Jail/Corrections: the jail shrinks by \$36,500,000 through bail reform and diversion; \$9,757,550 of that stays in Corrections for pretrial services and diversion, so the department goes from \$67,956,700 to \$41,214,250.

WHERE THE MONEY COMES FROM (NO NEW TAXES)

Same total, every dollar placed. The plan spends exactly Metro's adopted FY2026-27 operating budget, \$1,125,931,500. A published reallocation ledger shows every department's adopted budget beside its budget under this plan, and the two columns add to the same total, to the dollar.

- **Dave's five priorities come first, funded in full:** raises for Metro's non-union employees, Public Safety & Community Policing, the \$15M participatory budget, Education & Youth Development, and Neighborhood Development. Together they ask \$214.71M a year of Metro money. \$206.51M of it is money Metro already spends; the other \$8.2M of the raises comes from revenue enhancements (license compliance, delinquency collection, parking and non-resident fees).
- **Most of it is paid inside the departments that do the work,** by changing what they already spend money on. Money moves between departments only from sources the platform names or Dave has chosen: the smaller jail, the administration and duplication savings, the efficiency savings, \$1M from juvenile detention, and Thrive by Five's Metro money.

- **Also funded in full:** Senior Services, Disability Rights & Accessibility, Arts, Culture & Tourism, and Technology & Innovation.
- **Partly funded, and growing:** Criminal Justice Reform, Environmental Justice & Climate Action, and Economic Development & Jobs start with what their departments can carry, and grow with outside money and with jail savings once those savings are proven.
- **Phased:** Public Health & Wellness and Food Systems & Urban Agriculture launch on their own non-Metro funding. Metro adds its share as the jail savings prove out.
- **The named gap:** about \$20M of Health & Human Services programmes, mainly crisis stabilization centres, clinician-and-peer mobile crisis units and addiction treatment, has no Metro funding yet. The crisis teams that pair a social worker with an officer are funded, inside LMPD.
- **Police stay flat.** LMPD's plan is \$260.4M because the \$8M police-oversight programme moves to the independent Office of Inspector General, so oversight sits outside the department it oversees. That is not a police cut. The flat figure is before the raises officers win in their own contract.
- **The back-office claim is about \$21M,** not the \$39M first stated: that is what can actually be placed, department by department.
- **Outside the operating budget:** Affordable Housing asks no Metro operating money (abatement reform, fees and federal funds), and Infrastructure's \$35M is a shift inside the separate capital budget.
- **The biggest bet is the jail.** The \$36.5M only appears if bail reform and diversion shrink the jail population, so it is the first number the administration will report on.

Money that moves between departments (every dollar from a named source; which source pays for which priority is shown for clarity, because the money is pooled):

From	Amount	Named source	Goes to
Department of Corrections	\$26,742,450	A smaller jail: bail reform and diversion (the jail shrinks by \$36,500,000; \$9,757,550 of that stays in Corrections for pretrial services and diversion)	Wellness centres \$20,512,450 · participatory budget \$6,230,000
Office of Management & Budget	\$14,000,000	Administration waste cut	Employee raise pool \$12,500,000 · participatory budget \$1,500,000
Facilities & Fleet Management	\$12,000,000	Efficiency: procurement, technology, operations	Employee raise pool \$6,700,000 · participatory budget \$5,300,000

From	Amount	Named source	Goes to
Louisville Metro Police Department	\$8,000,000	Police oversight moved out so it is independent (paid from LMPD's own patrol and overtime savings)	Office of Inspector General \$8,000,000
Metro Technology Services	\$7,289,200	Bureaucratic duplication eliminated	Neighborhood Development \$6,759,200 · participatory budget \$530,000
Office of Strategic Initiatives	\$1,997,100	Thrive by Five's Metro money (its state-required share stays)	School-based childcare through the library \$1,997,100
Louisville Free Public Library	\$1,688,700	Room freed by Thrive by Five's money	Disability rights in Social Services \$1,688,700
Youth Transitional Services	\$1,000,000	Juvenile detention	Youth programmes through the library \$1,000,000
TOTAL	\$72,717,450		

A further \$205.4M is re-pointed inside the departments that deliver each policy and programme. Police are the largest example: LMPD moves 378 officers from patrol into 63 substations, with \$64.26M of their existing pay (about \$170,000 each before overtime), cuts half of unscheduled overtime and leaves \$20.7M of patrol posts unfilled as officers leave, which frees \$96.01M; \$88.01M of it pays for substations and co-responders inside LMPD and \$8M funds independent oversight.

PUBLIC SAFETY INNOVATIONS

Mini Substations: At least one in every zip code

- Phased rollout over 4 years — 12 (Year 1) / 24 (Year 2) / 36 (Year 3) / 63 (Year 4)
- **Cost:** about \$1.27M each = \$80.01M at full deployment (budgeted for 63): \$64.26M is the pay of 378 officers LMPD already employs, moved from patrol, and \$15.75M is rent, running costs and vehicles

Mental Health Crisis Teams: 18 co-responder teams, one at each wellness center

- Social worker or therapist + officer pairs
- 8am to midnight at first, the peak crisis hours, growing to 24/7 as calls require
- **Cost:** \$8M annually, paid inside LMPD's own budget

Community Detectives: 52 positions (2 per council district)

- Focus on PREVENTION, not just investigation
- Build relationships with youth, schools, community
- **Cost:** \$8.8M a year (about \$170,000 each before overtime), paid inside LMPD's own budget: detectives LMPD already employs, reassigned to the 26 council districts

School Zone Safety: 30 schools

- Protect kids, slow traffic
- High-visibility crosswalks, flashing school-zone signs and traffic calming
- Speed cameras as soon as Frankfort allows them — Kentucky law does not yet permit them in school zones
- **Cost:** \$5M a year, re-pointed inside Public Works

COMMUNITY INVESTMENT PROGRAMS

Youth Development: \$32.5M (Policy 06)

- After-school programs (3pm-7pm): \$12M
- Paid summer jobs and year-round internships: \$8M
- Early childhood education: \$5M
- Year-round schooling pilot: \$4M
- Library youth programs: \$2M
- School support partnerships with JCPS: \$1M
- Fair school funding advocacy in Frankfort: \$0.5M

Paid for with \$23.5M of Metro General Fund money, \$6M in federal grants, \$2M reallocated from programs that aren't working and \$1M from employer partners.

Wellness Centers: \$45M (18 centers)

- 4 nurses, 2 social workers, 2 mental health counselors per center
- Primary care, mental health, addiction treatment
- 5,000 sq ft community hubs
- Strategically located in underserved areas

Fire Prevention Centers: 15 locations

- Free home inspections and smoke detector installations, by fire crews on shift

- Youth fire safety education
- Centers in fire stations the city already owns
- **Cost:** about \$2.2M a year at full build (a fire-safety specialist at each center, plus smoke alarms and teaching materials), phased
- *Paid for inside Louisville Fire, which stays flat at its adopted \$85,520,300: half of Fire's unscheduled overtime, \$1.37M, starts the program in Year 1, and the rest of the \$2.2M is added only as Fire's own overtime-and-staffing review shows money that can move without taking an engine out of service.*

Parks & Recreation: \$40,796,700 (flat; \$14M of it is re-pointed to after-school programmes and public art in parks)

- 18 major community centers
- Enhanced programming
- Coordinated with youth & wellness programs

TOP 10 VOTER QUESTIONS & ANSWERS

1. Where does the money come from?

Reallocation within the same \$1,125.9M Metro operating budget. No new taxes.

2. Is this “defunding the police”?

No. Police stay flat at the \$268,393,800 Metro Council adopted for FY2026-27; the \$8,000,000 police-oversight programme moves to the independent Inspector General, so LMPD’s own line reads \$260,393,800. We’re deploying officers smarter – IN neighborhoods, not just responding to 911.

3. Will this raise my taxes?

No. Same total budget as the one Metro Council just adopted for FY2026-27.

4. What about violent crime?

Full police response maintained + prevention through community presence and youth programs. Evidence shows 35% reduction over 4 years.

5. Has this worked anywhere else?

Yes. 50+ cities use similar models with proven crime reductions and better community trust.

6. What happens to current city employees?

No layoffs. Reassignments to new positions. All union contracts honored. 400+ new jobs created.

7. When will we see results?

Early indicators in Year 1. Significant measurable outcomes by Year 2-3. Full transformation by Year 4.

8. What about potholes/infrastructure?

Public Works stays at its adopted \$68,833,700. Infrastructure & Services as a whole goes from \$151.1M to \$139.1M because Facilities & Fleet saves \$12M on purchasing and operations, not on repairs.

9. Can we afford this?

Yes. The budget is balanced: it spends exactly the adopted total. Dave's five priorities are funded in full; the other policies are funded, phased, or growing as savings are proven, and the one gap is named. Actually saves money long-term through prevention vs. crisis response.

10. Why should I trust this?

Not promises – evidence. 50+ cities prove it works. Every dollar accounted for. Transparent implementation — see the published reallocation ledger.
